I, the adopting person, have received the animal described below and in consideration for the animal being provided to me agree to the following:

1. I will procure an appointment with a veterinarian of my choice within 10 days of date listed below.
2. I will license this animal as required by law in the municipality where I reside within 10 days or when this animal is 7 months old. I will attach proper identification to this animal.
3. I will have this pet immunized against rabies according to the protocol established by my veterinarian.
4. PACS requires all animals be spayed/neutered prior to adoption unless medically dangerous. I will have this animal spayed/neutered as soon as medically viable.
5. If requested to do so, I will allow a properly identified representative of Paws and Claws Society to enter my home and check on the conditions relating to the animal. I will surrender the animal to the Paws and Claws Society representative if that representative concludes that the conditions of this contract have not been met. However, nothing in this contract shall obligate Paws and Claws Society to make such an inspection or to take such further action.
6. I will satisfy myself with regard to the behavior and temperament of this animal. I hereby hold Paws and Claws Society and/or its representatives harmless and will indemnify Paws and Claws Society with regard to any claim of any kind, including injury or property damage, which may arise out of my ownership of this pet.
7. I will provide a loving home, nutritious food, and medical care as required to maintain good health. I will spend time with and exercise this animal daily. I will not put a flea collar on this cat.

11. I will NOT allow this pet to run at large.
12. I will notify Paws and Claws Society if my address is changed and will always have this animal living at my address.
