**Re: You have received a Thundershirt Donation!**

Dear Shelter or Rescue Organization,

Thank you for the wonderful work that you do for the animals most in need! We know how difficult it can be to run an adoption organization...heart-breaking abuse cases, the never-ending stream of deserving animals that just need a chance with a good home, the never-ending need for additional funds...the list goes on and on.

We also know that anxiety and fear issues are very common for dogs in need of adoption. Because of this, Thundershirt Company has been working hard to find ways to make Thundershirts available to as many adoption organizations as possible. We have partnered with Petfinder.com to offer a variety of programs; see below to learn more about them.

You are receiving this note and the enclosed Thundershirt(s) because a caring member of the public has generously made this donation to your organization. The donor name(s) are included with this letter. We hope that you will be able to put Thundershirt to good use with one or more of the dogs in your care. To learn more about the use of Thundershirts in a shelter environment including suggested training programs, please visit our training center at [trainingcenter.thundershirt.com](http://trainingcenter.thundershirt.com) and click on "Shelter Resources" under Training Programs.

Thundershirt Donation Programs Currently Available in Partnership with PetFinder.com:
